The Texas General Land Office Adopt-A-Beach program began in the fall of 1986, when 2,800 volunteers picked up 124 tons of trash. Since then, more than 540,000 volunteers have removed 9,700 tons of trash from Texas beaches. Each volunteer will be given data cards, gloves, pencils and trash bags. All volunteers are advised to wear closed-toe shoes, bring sunscreen and plenty of drinking water. The Texas General Land Office Adopt-A-Beach cleanups are held rain or shine!

Texans who are not able to attend the cleanup can help keep our beaches clean by making a tax-deductible donation online at www.TexasAdoptABeach.org. There are several different Adopt-A-Beach sponsorship levels ranging from \$25 to \$25,000, allowing both individuals and corporations to contribute to this major cleanup effort.

Special thanks to our sponsors who generously contributed to our 2020 Winter Cleanup event:
